Multifold and "C" fold Towel Dispenser

Code 105: White powder coat finish.

Code 107: Stainless steel, type 304, no. 4 finish.

Specifications:

Site Location: The compact size and variety of finishes makes the 105 and 107 ideal for use in any room or site location.

Dispensing: The unit opening will dispense multifold and "C" fold towels.

Features: Towel opening has rolled safety edge (black finish on all units). All units come with keyed tumbler lock to reduce pilferage and vandalism. Front loading for easy service and maintenance.

SS features: One piece coverall door. Stainless steel (304, No. 4 brushed) construction. Product shipped with protective plastic coating to be removed after installation.

Shipping Weight: 2 kg. (4-1/2 lbs.)

Installation: For unrestricted access, bottom of unit to floor must not exceed 48" (120).

Description and specifications applicable on date issued. Frost reserves the right to make improvements or changes without notice.
